

An "**All About Clinical Trials**" course will be held at Diakonhjemmet Hospital, Oslo, on December 12-13, 2024. This event is organized in collaboration with the European Society of Cardiology Cardiovascular Pharmacology (ESC-CVP) working group, the Association of Cardiovascular Nursing & Allied Professions (ACNAP), the Norwegian Cardiac Society, and the REMEDY Center at Diakonhjemmet Hospital.

The course maintains a **high professional standard** with both national and international speakers and **is suitable for anyone interested in research, including students, PhD candidates, clinicians such as doctors and nurses.**

The purpose of the AACT course is to provide insights into all aspects of clinical trials: from design to implementation and evaluation of results. The course will also highlight recently proposed methods for clinical testing and discuss regulatory requirements. Participants will receive a GCP certificate meeting EU standards.

The **program** is attached.

Registration fees:

- ESC CVP working group members, PhD candidates, YRP members, and young ACNAP members: 50 Euro
- Nurses and allied professionals (ACNAP): 250 Euro
- Standard registration fee: 300 Euro

Registration is available at <https://esc365.escardio.org/event/1613>

We look forward to seeing you at the course.

The banner features logos for ESC Working Group Cardiovascular Pharmacotherapy, ACNAP Association of Cardiovascular Nursing & Allied Professions, and CETERA. The main text reads: "AACT 2024 All About Clinical Trials. An insight into all aspects of clinical trials: from design to implementation and evaluation of results. Onsite Training Course 12 – 13 December 2024 Oslo, Norway." A "REGISTER NOW" button with a right-pointing arrow and the URL "https://esc365.escardio.org/event/1613" is located at the bottom.
